BUILT TO LAST
Durable materials engineered for daily performance and long-term value.

HEALTH & SAFETY FIRST
Antimicrobial surfaces and solutions that support wellness and infection control.

SUSTAINABLE BY DESIGN
Thoughtful materials and responsible manufacturing for a better future.

SPACES THAT SUPPORT PEOPLE
Creating environments that inspire learning, enhance healing, and build stronger communities.

CODE COMPLIANT & RELIABLE
Products meet or exceed the highest industry standards for safety, accessibility, and durability.

PERFORMANCE YOU CAN COUNT ON
Proven solutions. Trusted partnerships. Exceptional service from concept to completion.

HIGHER STANDARDS. BETTER SPACES. STRONGER COMMUNITIES.

Student-Centered Environment

Spaces designed to inspire curiosity, creativity, and well-being.

Sustainable Design

Energy-efficient systems and natural materials for a greener future.

Flexible Learning Spaces

Adaptable classrooms and collaborative areas for evolving needs.

Community Connection

Open spaces and shared facilities that bring people together.

Safety & Security

Thoughtful design for a safe and secure learning environment.

STUDENT FURNITURE & CABINETRY DESIGN

MOBILE STORAGE

48"W x 18"D x 36"H

- Antimicrobial surfaces
- Locking drawers
- Smooth rolling casters
- Open shelving for access

Infection Control Materials

Antimicrobial surfaces and seamless materials help reduce germs and support a cleaner environment.

Durable & Long-Lasting

High-performance materials built to withstand daily use and frequent cleaning.

Improved Indoor Air Quality

Low-VOC materials and ventilation solutions promote healthier indoor environments.

Patient Comfort & Well-Being

Thoughtful design, calming finishes, and ergonomic furnishings support better outcomes.

Accessibility & Functionality

Universal design principles ensure spaces are easy to navigate and use.

Safety & Compliance Assured

Materials and systems meet healthcare standards for safety, code compliance, and peace of mind.

MEDICAL INTERIORS BUILT FOR CARE

Safe. Durable. Functional.
Designed to Heal.

CASEWORK & COUNTERTOPS

Built for performance and infection control.

- Seamless surfaces
- Moisture resistant
- Easy to clean
- Antimicrobial options
- Durable construction

PATIENT ROOM DOORS

Privacy. Safety. Peace of mind.

- Solid core construction
- Impact resistant
- Easy to clean
- Acoustic privacy
- Variety of finishes

OPEN SHELVING & STORAGE

Organized. Accessible. Efficient.
